Medical Screening (Medical Support Tent)

- Continual medical monitoring conducted over the course of the 21-day reintegration period.
- Temperature checks conducted twice daily at 0700 and 1900 hours; temperatures are annotated on a standard screening form.

Above: CPT Alan Causey has his temperature taken by SSG Giovanni Cardoza.

Life Support- Lodging (Bldg 139)

Building 139 is the designated living area for all reintegrating personnel; arriving personnel separated into cohorts on individual floors.

- Each service member assigned to a room furnished with a single or double 'bunk' bed, desk, and dresser.
- Each service member provided a bed and issued linen, a blanket, a pillow and a bath towel.

Wifi internet available throughout the building.

Laundry Facility

US Army Africa Family Info

- Care packages may be dropped off at the HHB S1 at **Del Din Building 146** from **0900 to 1930 M-F and 1000-1400 weekends.**
- Care packages will be taken to the returning USARAF members at **1630 each day.**
- We ask that you provide the S1 an inventory of the care package, so they can ensure your loved one receives everything you've sent them.
- You can reach the HHB S1 at **0444-66-1555** or at **usarmy.vicenza.usaraf.list.usaraf-hhbn-S1@mail.mil**
- All other questions / concerns can be directed to the HHBn Command Team by the following contact means:

LTC Anthony Dekeyzer **anthony.r.dekeyzer.mil@mail.mil** or 0444-66-1542

CSM Donald Gilbert **donald.r.gilbert.mil@mail.mil** or 0444-66-1541
